Package 'survivalVignettes'

May 4, 2024

Version 0.1.6

Date 2024-05-02

Title Survival Analysis Vignettes and Optional Datasets

Depends R (>= 3.5.0), survival

Imports graphics

Suggests knitr, rmarkdown, bookdown, survey, geepack, mstate, R.rsp

URL https://github.com/bethatkinson/survivalVignettes

BugReports https://github.com/bethatkinson/survivalVignettes/issues

Description Vignettes for the 'survival' package. Split from the 'survival'
package since the vignettes were getting large. Also, since 'survival' is a
recommended package it cannot make use of other packages outside of
base+recommended (e.g. 'rmarkdown').
